

Cultural Project #1: Differences in Culture

Directions: Research a cultural activity that takes place in one or more Spanish-speaking countries. Report to the class about the information you discover. Use the Internet, the library, personal interviews, and/or TV shows to gather your information.

Requirements:

- Research - cite at least three sources in a Works Cited page. You may use the textbook as one of your sources.
- Create at least one well-developed visual aide per student. This visual aide should look professional and should assist the class in understanding one cultural aspect of a Spanish-speaking country.
- Give a minimum two-minute oral presentation per student.

Possible Cultural Aspects to Research:

Music	Monuments	Personal
Dancing	Treatment of young people	space/interaction
Literature	Treatment of the elderly	World Leaders
Food	Treatment of handicapped or	History
Art	mentally ill	Sports
Architecture	Living arrangements/housing	Health
Movies	Religious beliefs	Economy/jobs
Holidays	Ways of communicating (Telephone	Leisure Activities
Ways of reporting	conversations, slang words, etc.)	Traditions
information	Politics	

Rubric:

Visual Aide Neatness, Effort, and Effectiveness	___/30
Information Depth, Creativity, and Presentation	___/30
Works Cited Page	___/10
Total	___/70
